A 70-year legacy

Giving families the resources they need to be self-sufficient

1945: Father Reinhart Gutman established "a social center for neighborhood children, because there happened to be a very real need... on the west side of the city"

1960-87: Ray Richardson inspired a generation of youth and youth leaders.

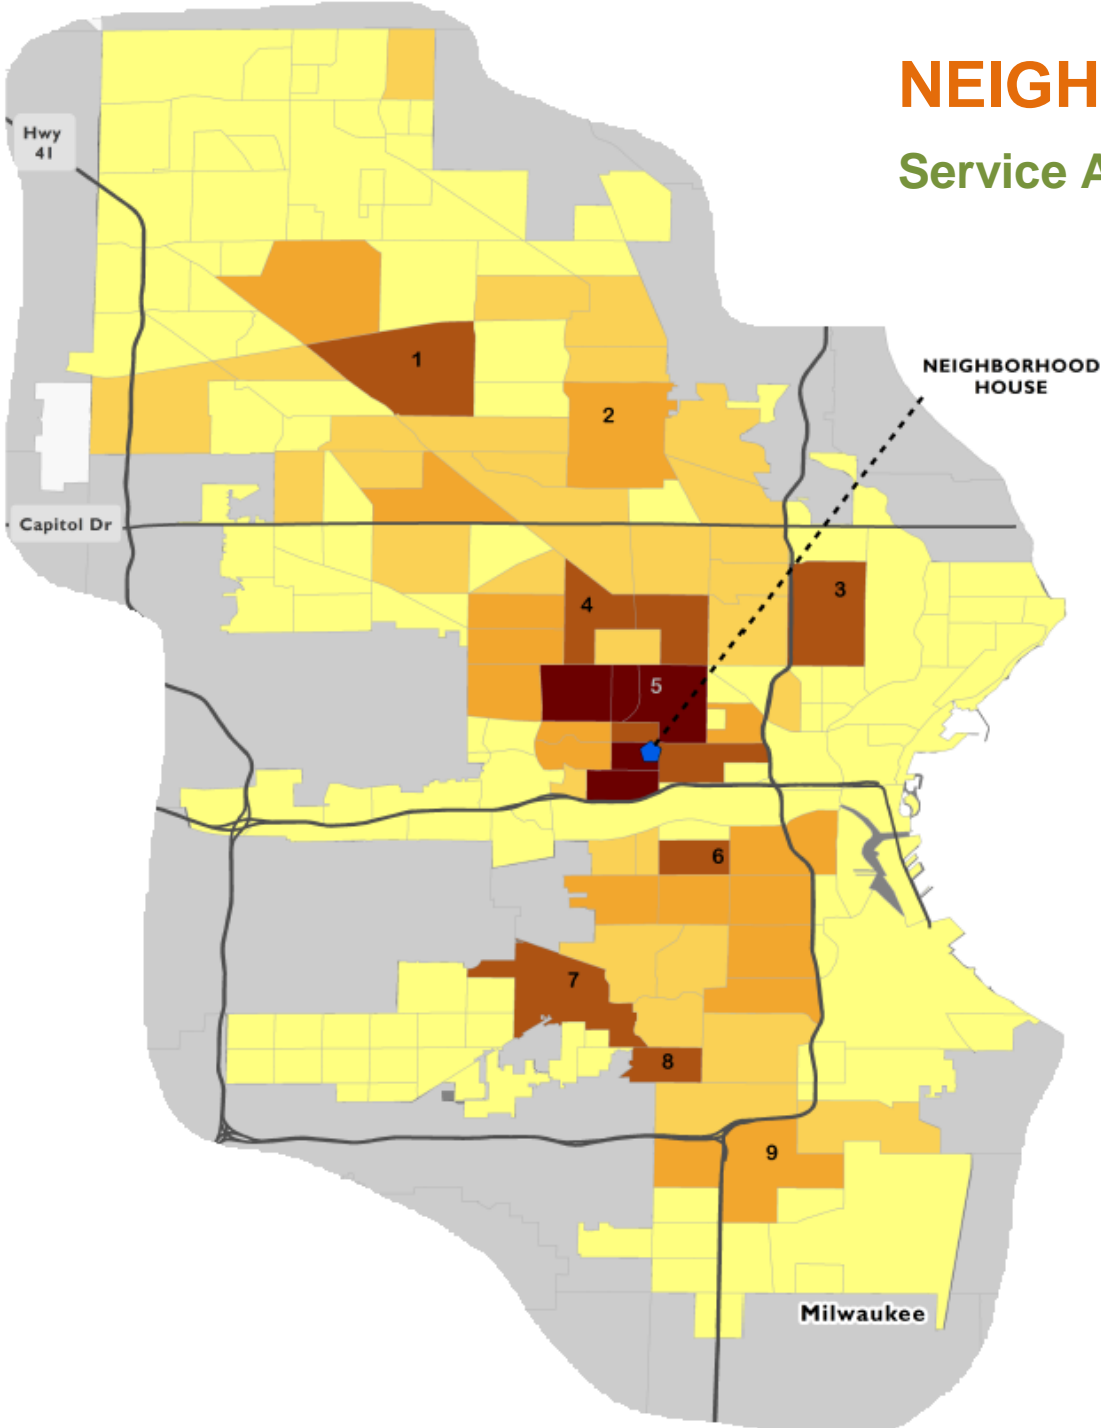

Today: Neighborhood House has evolved to meet the needs of pre-schoolers, kids, refugees, and a growing diverse community.
