When you pledge your support...

...you strengthen families.

Neighborhood House's top-rated child care, Early Head Start, and multi-faceted after-school programs help parents and children thrive – **regardless of income.**

...you open doors through education.

Neighborhood House pre-school, youth and outdoor education programs help kids develop their innate curiosity and critical thinking abilities, along with the social and academic skills they need to succeed. Parents learn ways to be their child's first teacher, teens learn to set goals and plan for their futures, and refugees learn essential language and life skills.

...you build community.

Neighborhood House opens doors for people of all ages to connect and invest in the greater community through service opportunities, internships, community gardening, forums for dialogue with neighbors and law enforcement, nature outings, monthly family-friendly events, and more. Neighborhoods improve when people develop a sense of ownership in their environment.

Sponsorship of our golf outing is a fun way to help others, and a reminder that giving strengthens us all. The members of the Neighborhood House Open Organizing Committee thank you for your support!

Last year at NH...

+1000 urban kids
connected with nature through
outdoor learning

+600 refugees learned
English & life skills for parenting
and employability

93% of caregivers used the
skills they learned at
Neighborhood House

92% of youth improved their
engagement in school
