When you pledge your support...

...you strengthen families.

Neighborhood House's top-rated child care, Early Head Start, and multi-faceted after-school programs help parents and children thrive – **regardless of income.**

...you open doors through education.

Neighborhood House preschool, youth, and outdoor education programs help kids develop their innate curiosity and critical thinking abilities, along with the social and academic skills they need to succeed. Parents realize ways to be their child's first teacher, teens set goals for their futures, and refugees learn essential language and life skills.

...you build community.

Neighborhood House helps our neighbors invest in the greater community through service opportunities, internships, community gardening, dialogue with neighbors and law enforcement, family-friendly events, and more. Neighborhoods improve when people develop a sense of ownership.

Last year at NH...

1,000+ urban kids connected with nature through outdoor learning

490 refugees learned English & life skills for parenting and employability

99% of youth reported improvement in setting goals for the future

97% of youth ages 6-11 reported improvement in completing homework on time

Sponsoring the Neighborhood House Open is a fun event and reminder that giving strengthens us all.
