NEIGHBORHOOD HOUSE HISTORY AND IMPACT:

Established in 1945, the mission of Neighborhood House of Milwaukee (NH) is to build a strong community by strengthening individuals, families, and the neighborhood. One of Milwaukee's oldest service agencies, we are celebrating our 75th anniversary this year. At NH, we believe a brighter future begins with a positive vision. Our programming opens doors for people and empowers them to improve their lives and realize their dreams. We served

over 4,200 children, youth and adults last year. Our International Learning Center, the largest refugee education effort in the State of Wisconsin, brings important refugee, citizenship and ESL services to more than 500 individuals and their families annually. Finally, our 93-acre nature center and preserve in the central Kettle Moraine of Dodge County is a key part of the strong environmental ethic that is part of our overall efforts.

While our families now come from across the city, Neighborhood House primarily serves a central city Near Westside neighborhood, bounded by Hwy 41 on the west, I-43 on the east, Cherry Street on the north, and I-94 on the south. Our services are based in our home on Richardson Place, but we also work from multiple locations in the region.
