When You Sponsor Our Gala You ...

Inspire Discovery

Our top-rated child care, multi-faceted after-school **AND** summer programs give parents confidence to go to work knowing that their child is in a safe environment that encourages them to develop their full potential. Parents are invited daily to partner in their child's education.

Strengthen Families

Neighborhood House serves as an educational civic cornerstone that strengthens families and builds connections across communities. We also host free or low cost, family-friendly field trips and nature outings that support families having fun and learning together.

.Build Community

Throughout its existence, Neighborhood House has been inclusive and diverse. Its programs were among the first racially integrated in Milwaukee's 1960s. Diverse leadership continues with today's Neighborhood House – both staff and board. We also proudly continue to serve vastly diverse program participants. While the task is never complete, diversity, equity and inclusion have long been ingrained in our DNA.
